

RESIDENTIAL TELEPHONE

8 Benefits Of Having A Landline Phone In Your Home

- 1** **Reliable Service**
The coverage of your cell phone at your home may be poor as your neighborhood may not have a cell phone tower close by. Mosaic's phone service provides a reliable connection during every call.
- 2** **Dependable Quality**
You may be affected by a dead zone when walking around while on your cell phone. With Mosaic's phone service, you are guaranteed dependable, quality service; even in the basement.
- 3** **Excellent Reception**
Did you know that 1 out of every 10 callers is awfully displeased with cell phone reception in their home? Mosaic's phone service provides excellent reception in every room of your house.
- 4** **Emergency Access**
In the event of an emergency, Mosaic's phone service gives you the capability of making phone calls; even during a power outage. Battery backup may be required.
- 5** **Enhanced 9-1-1**
Mosaic's home phone service includes enhanced 9-1-1 allowing 1st responders to locate you without the need for GPS, a fingerprint, or password feature. Since your address should be registered in a database, the 911 operator should immediately know your address and phone number.
- 6** **Safety & Security**
Having multiple phone locations throughout your home provides all ages quick access to a reliable phone no matter the time of day.
- 7** **Local Presence**
Mosaic Technologies employees live, work, and play locally. They care about and are invested in the well-being of our Community and its future.
- 8** **Convenience**
Cell phones are often misplaced and hard to find. With a telephone, you always know where it is.
